15<sup>th</sup> March 2020

Dear Parents

In light of the developments over the weekend I feel it is important that I provide you with an official update with regards the schools position in light of the Covid 19 Pandemic.

As has been reported in the press, at this stage all childcare and education settings are to remain open. These decisions are based on the latest scientific evidence. We are therefore going to continue to run as normal, including breakfast club provision, after school club provision and after school extra-curricular clubs.

As a school however, we are planning for different scenarios, and if a decision is made to close or partially close school's we will ensure the children are provided with school work to complete at home. Initially, each child will be given a pack of work that they can take home and this will be followed with work being set using the HWB Portal for Years 4, 5 and 6 and the Seesaw App for pupils in Nursery to Year 3.

If these steps are taken, we will ensure the pupils have the necessary log ins and will provide guidance for parents. Under the circumstance we feel this method is more appropriate than holding large group meetings to explain how to use the different programmes.

If the decision is made to close or partially close the school it will be shown on the Flintshire County Council website, which you should check as you would in the event of severe weather. We will also confirm any closure or partial closure via our twitter page and the school comms messaging service if we have access to it.

Once I have any further information, I will contact you immediately.

Thank you for your continued support and patience in these very difficult times.

Mr G Caughter  
Headteacher
