Adhering to the Covid19 Guidelines

Dear Parents,

All schools across Flintshire have been asked to remind all stakeholders of the school of the importance of following the national guidance regarding Covid-19.

As I am sure you are aware, this is vitally important for all members of our community, but particularly for yourselves and your children due to the fact that they are still attending school.

As a school we believe it is vital that we support all our Vulnerable Learners and Key Worker parents and allow you to carry out the essential roles that you deliver. However, as a Headteacher, I also need to be mindful of the health and well being of my staff members and to try and reduce the risk of them contracting the virus and passing it onto their family members, who in some cases are extremely vulnerable.

Therefore, I want to remind you that school bubble only relates to school and does not include time away from school. If I am made aware that families or children are mixing outside of school in the local community whether that be going to the local park with friends, having sleepovers attending family parties your child may not be allowed to attend the Childcare Provision going forwards which will clearly cause you problems from a work point of view.

I hope you understand why I am providing this reminder and the importance of us all working together to keep us all safe in these very difficult and worrying times.

Kind regards

Mr G. Caughter
